【Comments】
The 11th ATS was held at the Univ. Malaya Medical Centre. More than 150 people participated in the opening ceremony. Registered participants came from 13 countries (including remote presenters), and 7 countries watched our event by streaming. Official reception was held at Rebung Chef Ismail Restaurant where traditional Malay cuisine was served. On the 2nd day, 2 concurrent sessions were held and hands-on session was available for the engineering workshop.
