The 10th TAGE Endoscopic Live Demo -1

【Date】 2011.2.15

【Venue】

Queen Sirikit National Convention Center (Thailand),
NASATI Hanoi Office (Vietnam),
University of Indonesia (Indonesia),
Kyushu University Hospital (Japan)

【Comments】

We joined TAGE meeting again this year. Because it was co-organized by APASL (Asian Pacific Association for the Study of the Liver), the venue was moved outside the university to the big convention center. Kyushu U remotely joined with Dr Pablo and Dr Franco, who were from Argentina and Chile, respectively, and enjoyed the interesting cases.
