#256 Remote lecture for 4th grade medical students 2011.5.24

【Event】

Remote lecture for 4th grade medical students

【Date】2011.5.24

【Venue】Kyushu University Hospital

Fujita Health University

【Comments】

Remote lecture to medical students in Kyushu University was held from Fujita Health University by Prof Sugitani. They enjoyed the recent advancement as well as serious issues of life and death directly related to transplantation therapy. They also experienced the good quality of telemedicine system, and exchanged their opinions with excitement.

Dr Shimizu leads the telemedicine class.
