There is a need to have all institutions besides the institution that is talking to mute their microphone.

Thanks to all organisers for possibility to participate in so interesting conference and discussion.

There were some problems with a sound from Nizhniy Novgorod Center but just at the beginning.

Vary good conference! Interesting cases and good organization!

We really liked the theme of the conference. There was a good experience for us. We had a bad sound when there was a connection with Japanese colleagues. Thank you.

There was a very good program. Thank you everyone!

Уверен что данный формат мероприятий будет на постоянной основе.
