---

**Summary from PSDE site**

1. Poor signal from the Philippines site and fixed it later by using the mobile wifi.
2. Poor video quality from U of Malaya.
3. When the video clip is displayed the picture has to be the largest among other windows.
4. One center can connect to only one at a time. PSDE joined the APAN with three computers at one time and the signal dropped. This improved after we connected with only one computer. However the outgoing signal did not seem bad.

---

**Problem with sound: echo cancellation made the voice interrupted (This was the first time I faced it)**

---

**A summary from PSDE site**

1. Poor signal from the Philippines site and fixed it later by using the mobile wifi.
2. Poor video quality from U of Malaya.
3. When the video clip is displayed the picture has to be the largest among other windows.
4. One center can connect to only one at a time. PSDE joined the APAN with three computers at one time and the signal dropped. This improved after we connected with only one computer. However the outgoing signal did not seem bad.

---

**The 36th APAN-endoscopy session**

**1.** Poor signal from the Philippines site and fixed it later by using the mobile wifi.

---

**2.** Poor video quality from U of Malaya.

---

**3.** When the video clip is displayed the picture has to be the largest among other windows.

---

**4.** One center can connect to only one at a time. PSDE joined the APAN with three computers at one time and the signal dropped. This improved after we connected with only one computer. However the outgoing signal did not seem bad.

---

#### Q1. About the resolution of image
- **good**: 79%
- **very good**: 18%
- **very poor**: 3%

#### Q2. About the image movement
- **smooth**: 82%
- **very smooth**: 9%
- **sluggish (slow)**: 6%

#### Q3. About the delay of the image
- **small**: 72%
- **very small**: 28%

#### Q4. About the quality of sound
- **good**: 38%
- **very good**: 9%
- **poor**: 47%

#### Q5. About the preparations
- **easy**: 67%
- **very easy**: 27%

#### Q6. About the program
- **good**: 55%
- **very good**: 45%

#### Q7. Is this system better than DVTS?
- **this system is better**: 31%
- **DVTS is better**: 21%
- **similar**: 21%
- **do not know**: 27%

#### Q8. Would you like to use this system for your own activities?
- **yes**: 55%
- **probably yes**: 32%
- **probably no**: 6%
- **no**: 3%
