

How was the image sharpness?

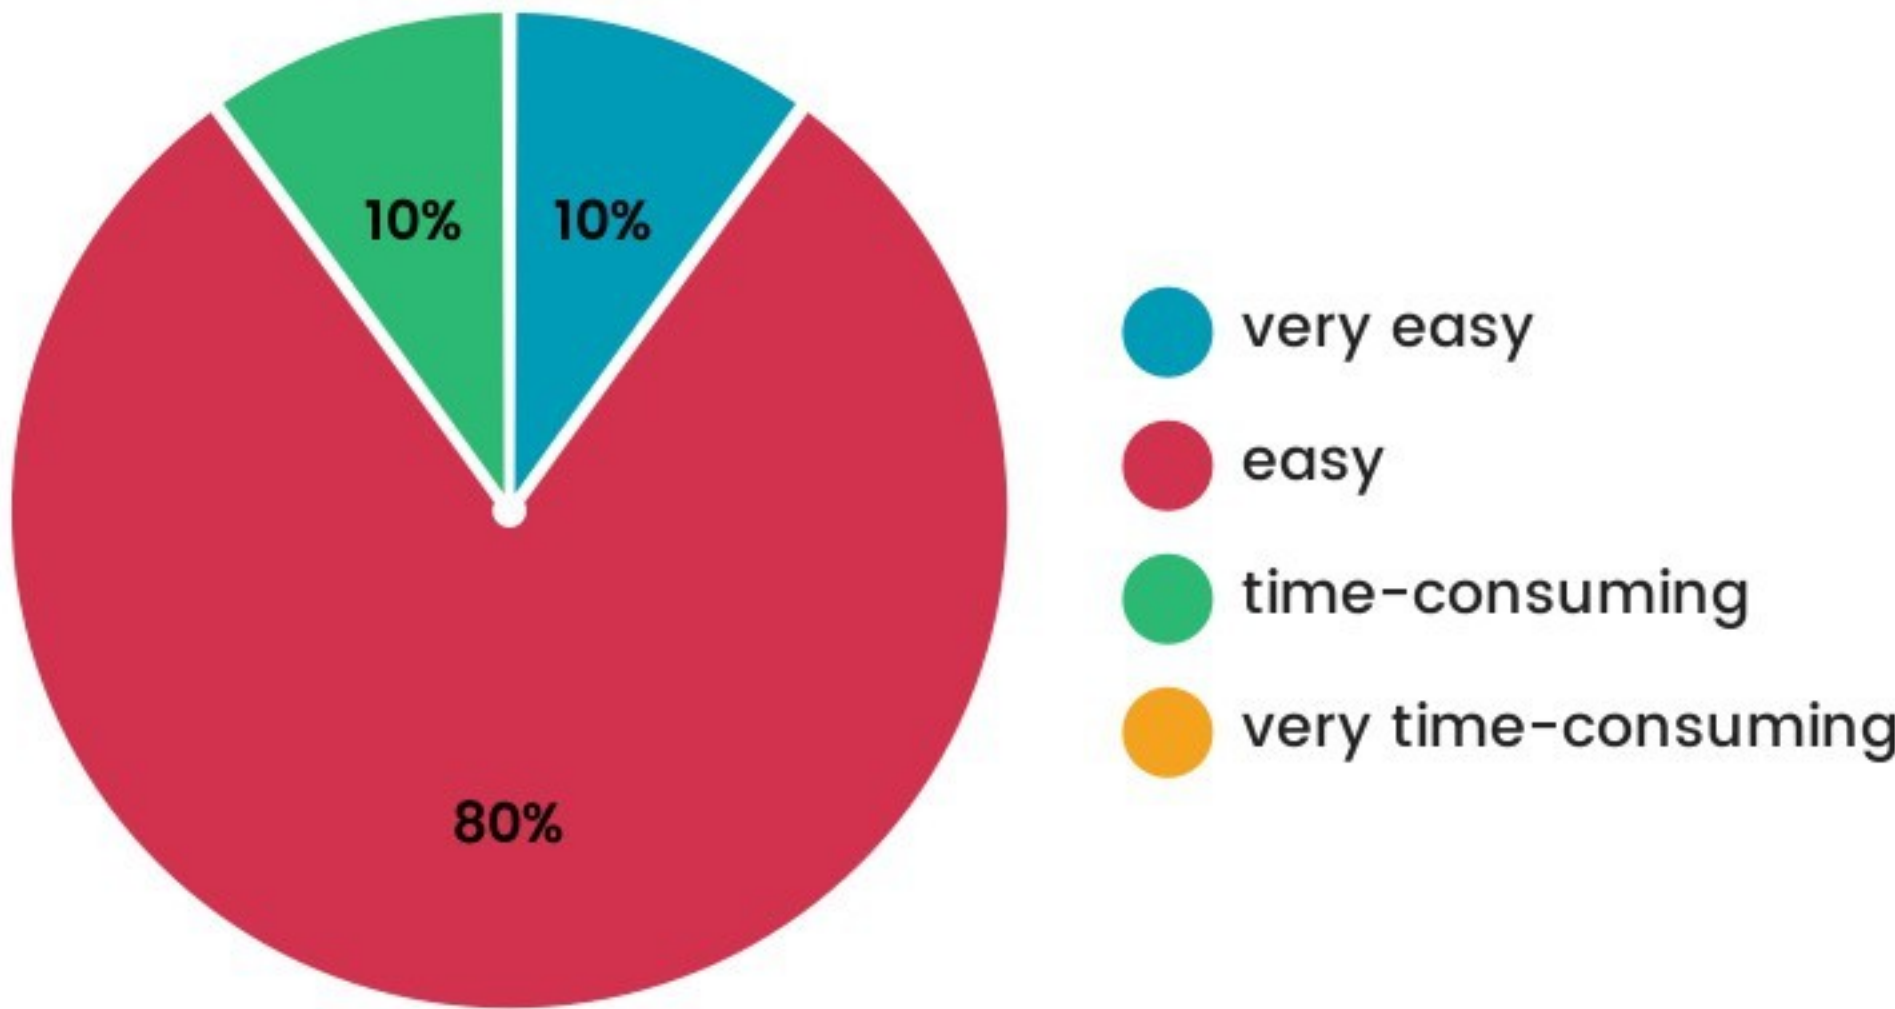

How was the image movement?

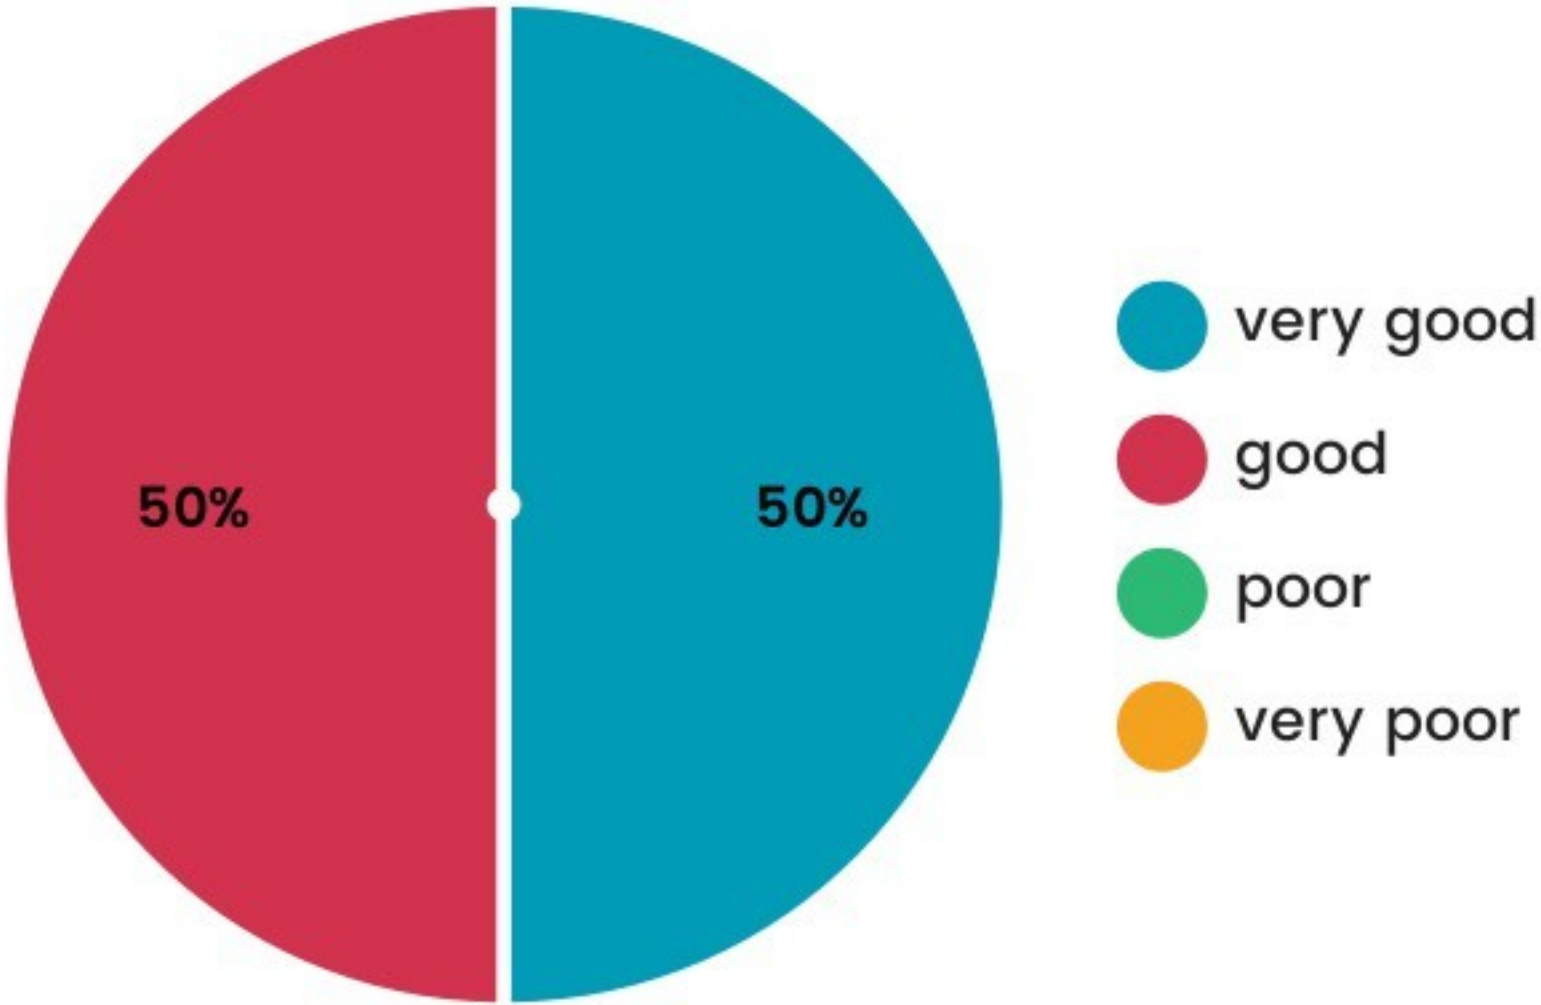

How was the quality of sound?

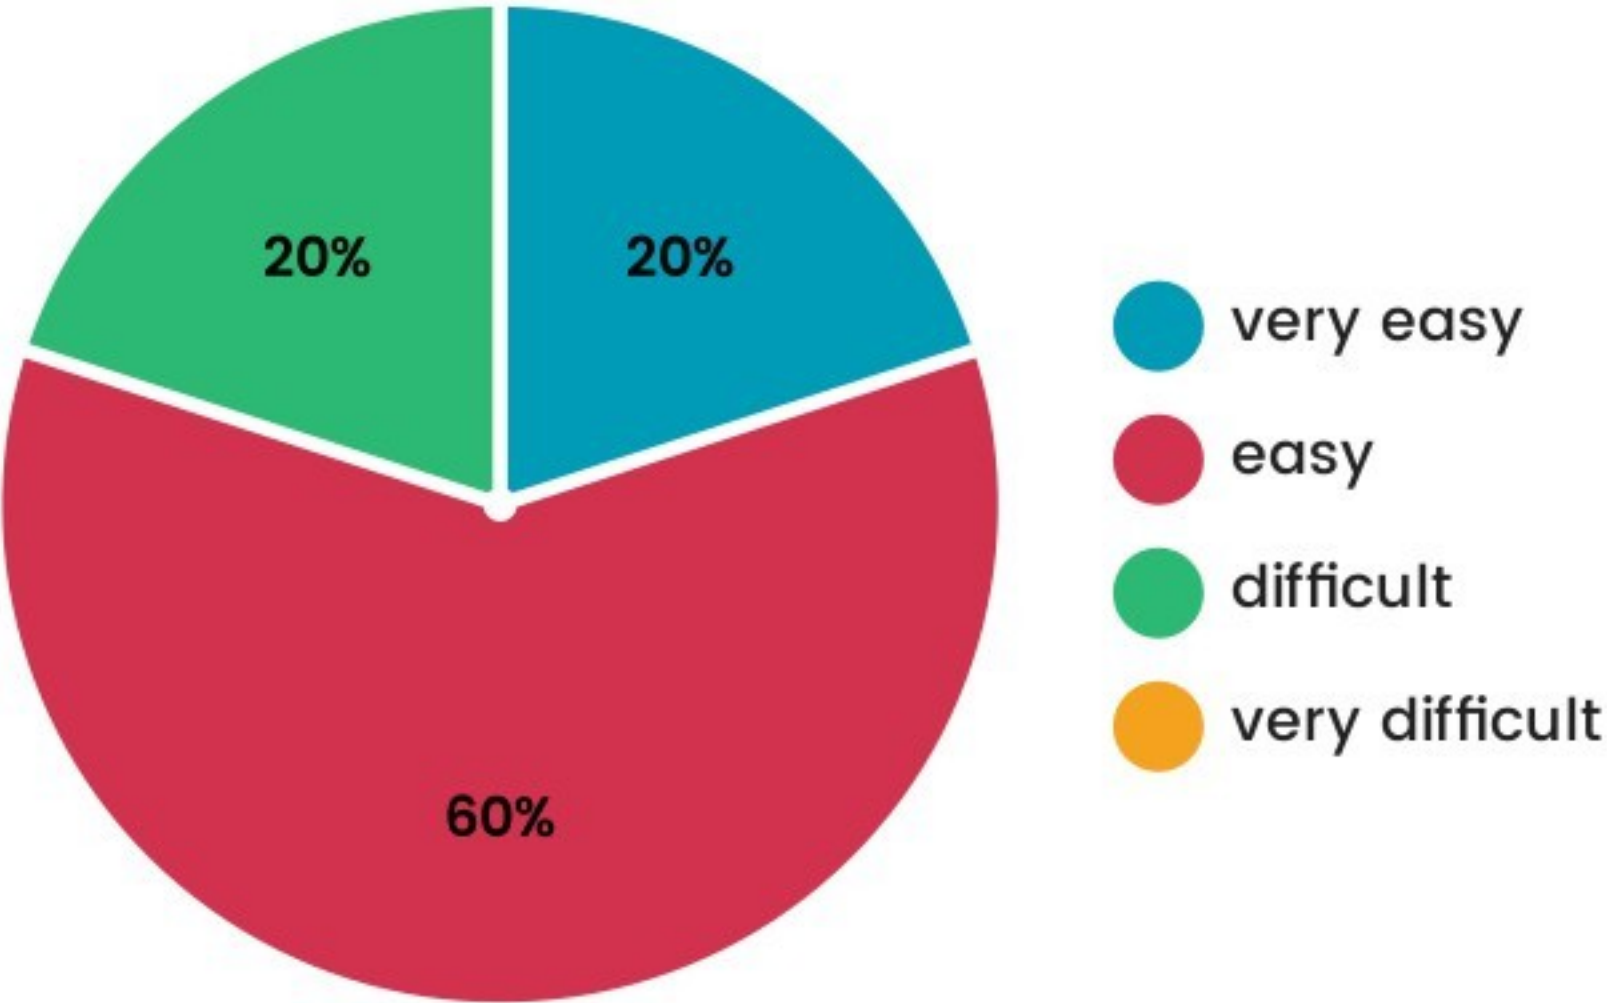

How was the preparations?

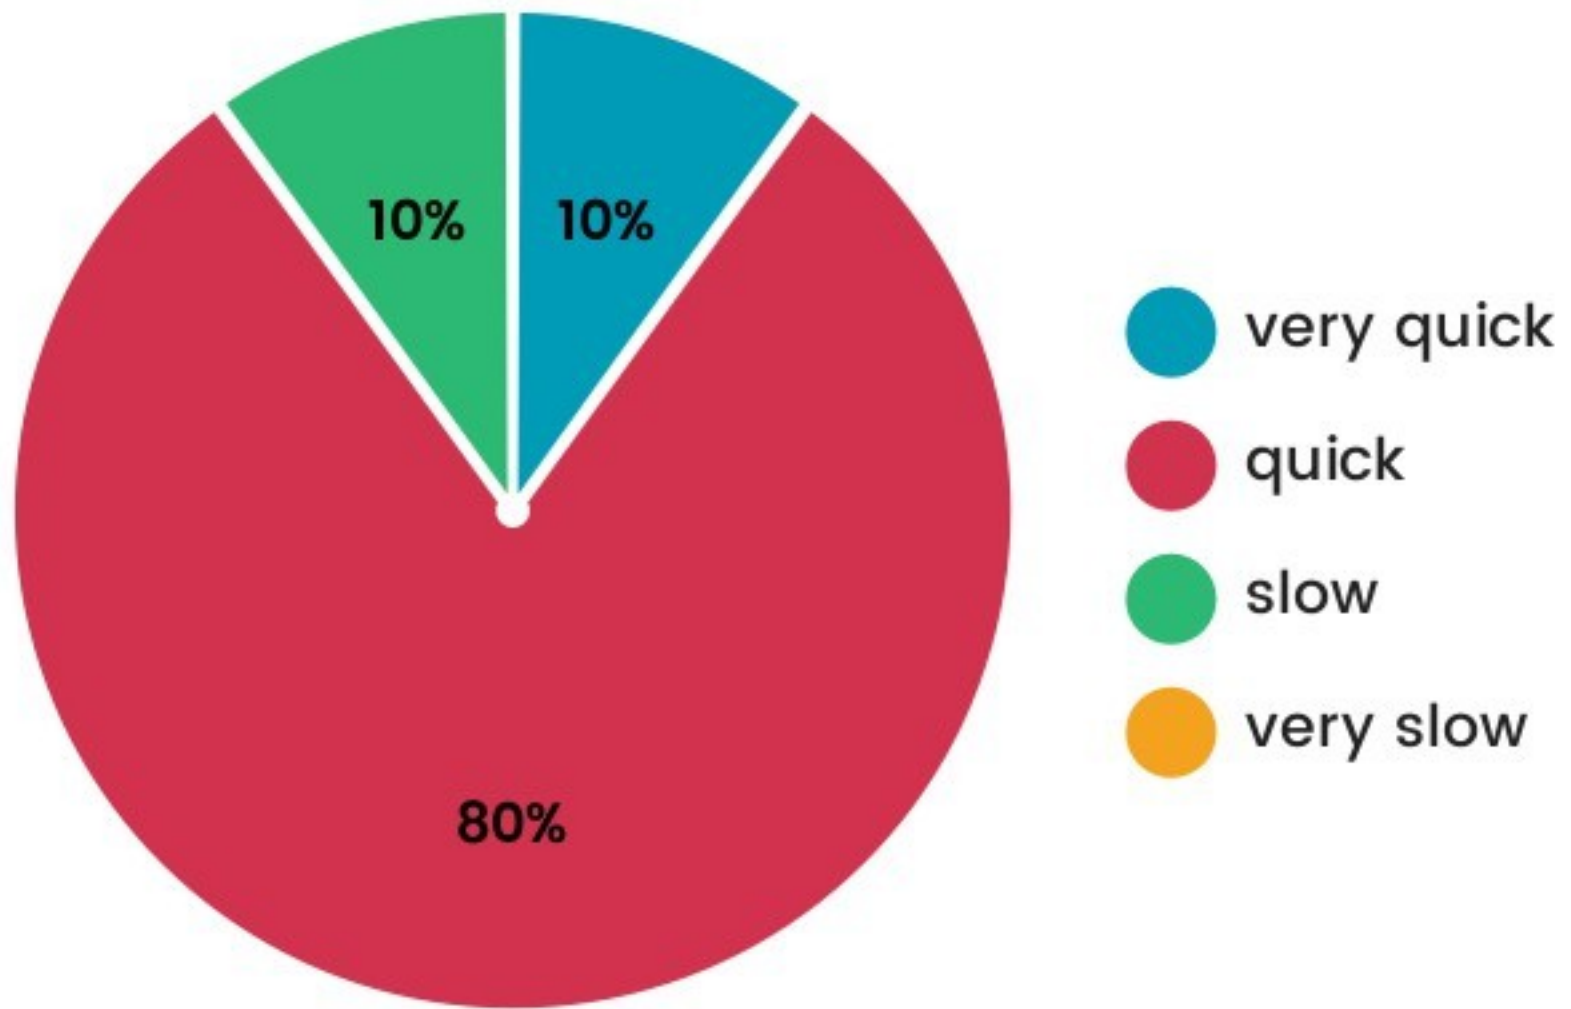

How was the program?

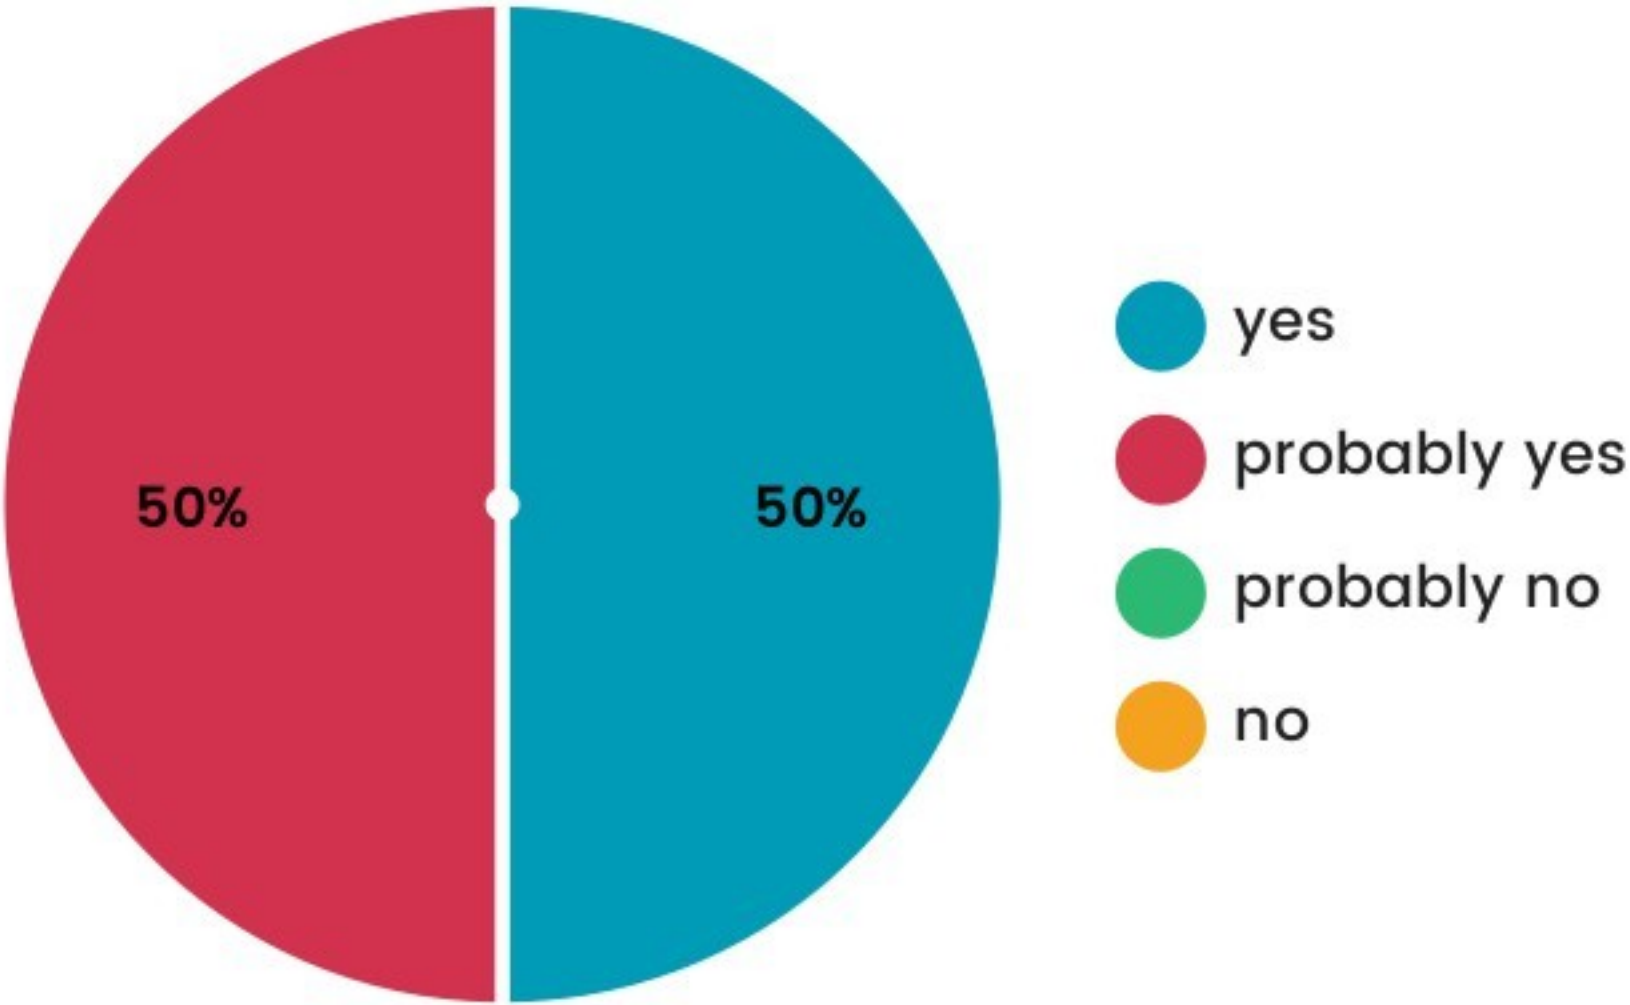

How was annotation handling?

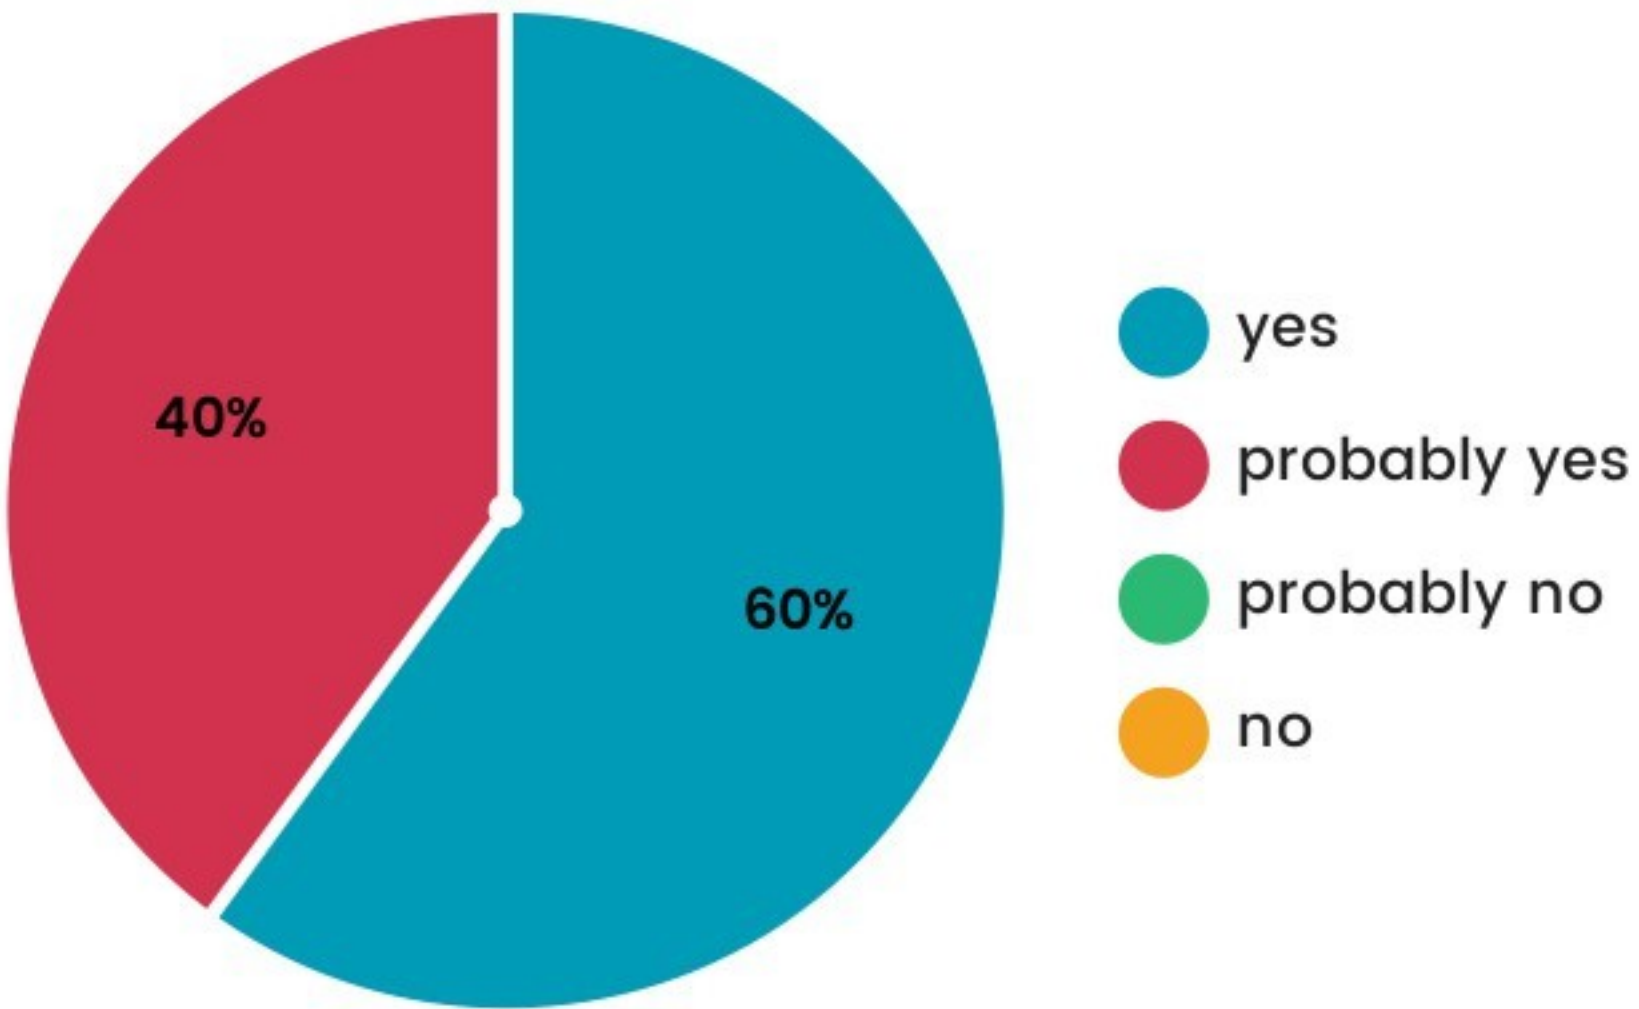

How was annotation performance?

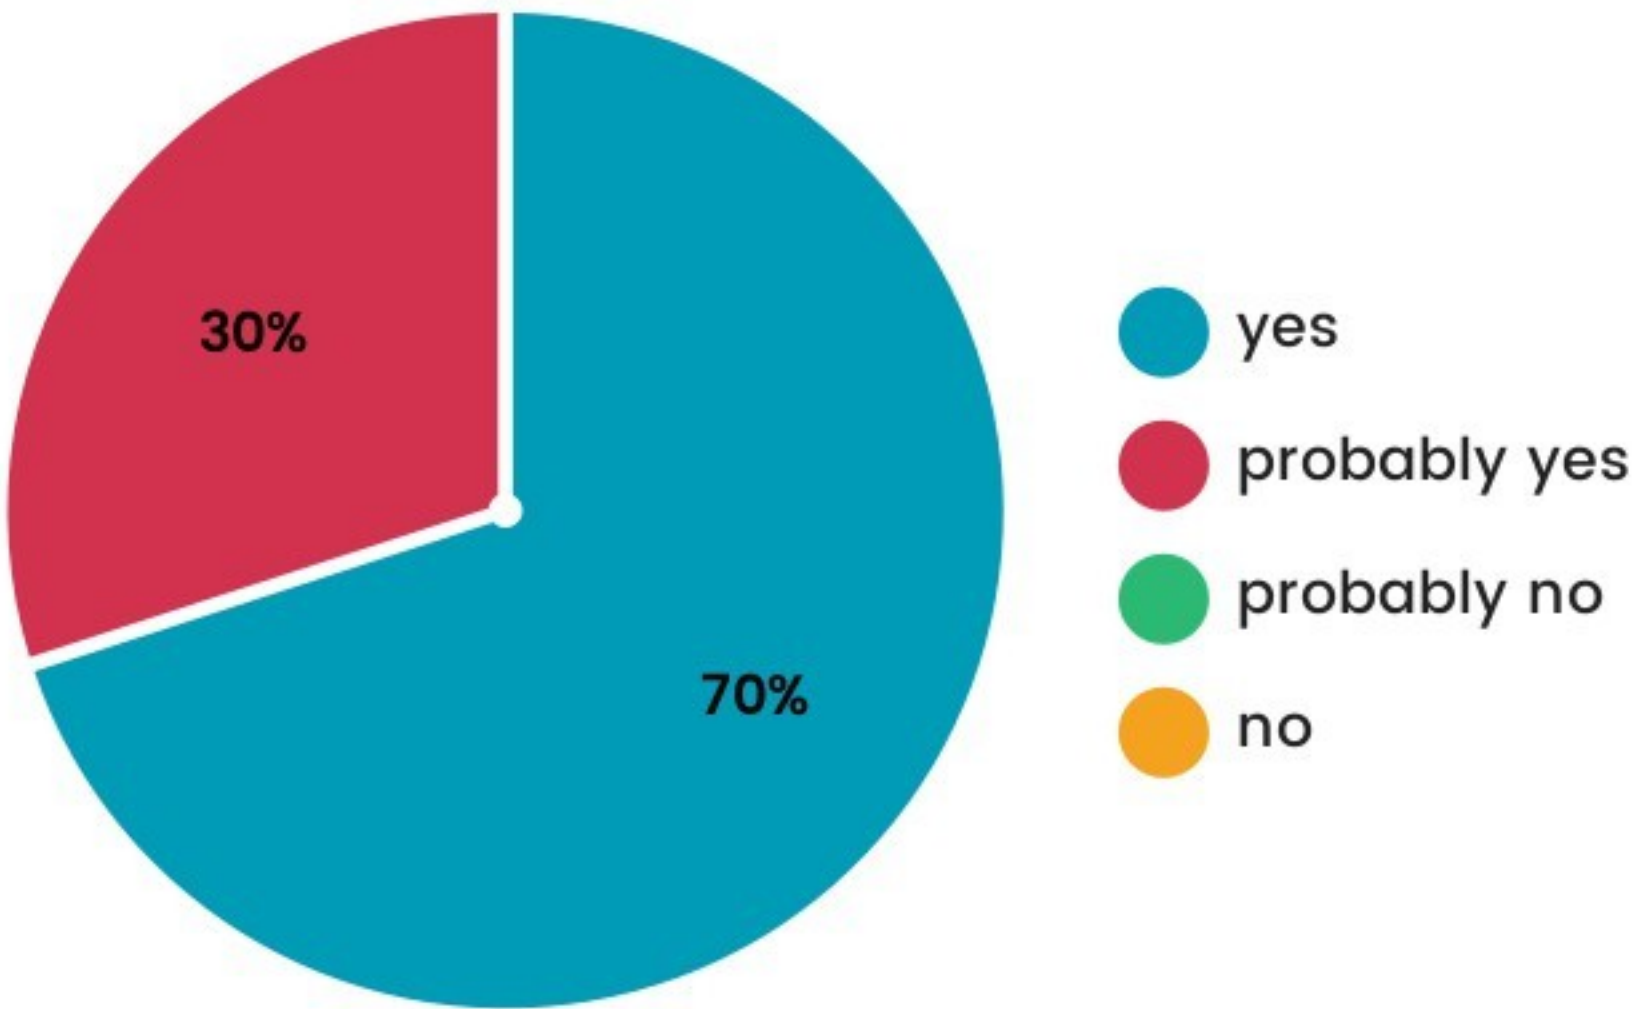

If you can use annotation system, do you want to use this system?

If you can use annotation system, do you think that conference understanding will be deeper?

Will you attend another teleconference session next time?

If you found any problems in teleconference, please write any comments you may have.

not at all

No Problemo

-

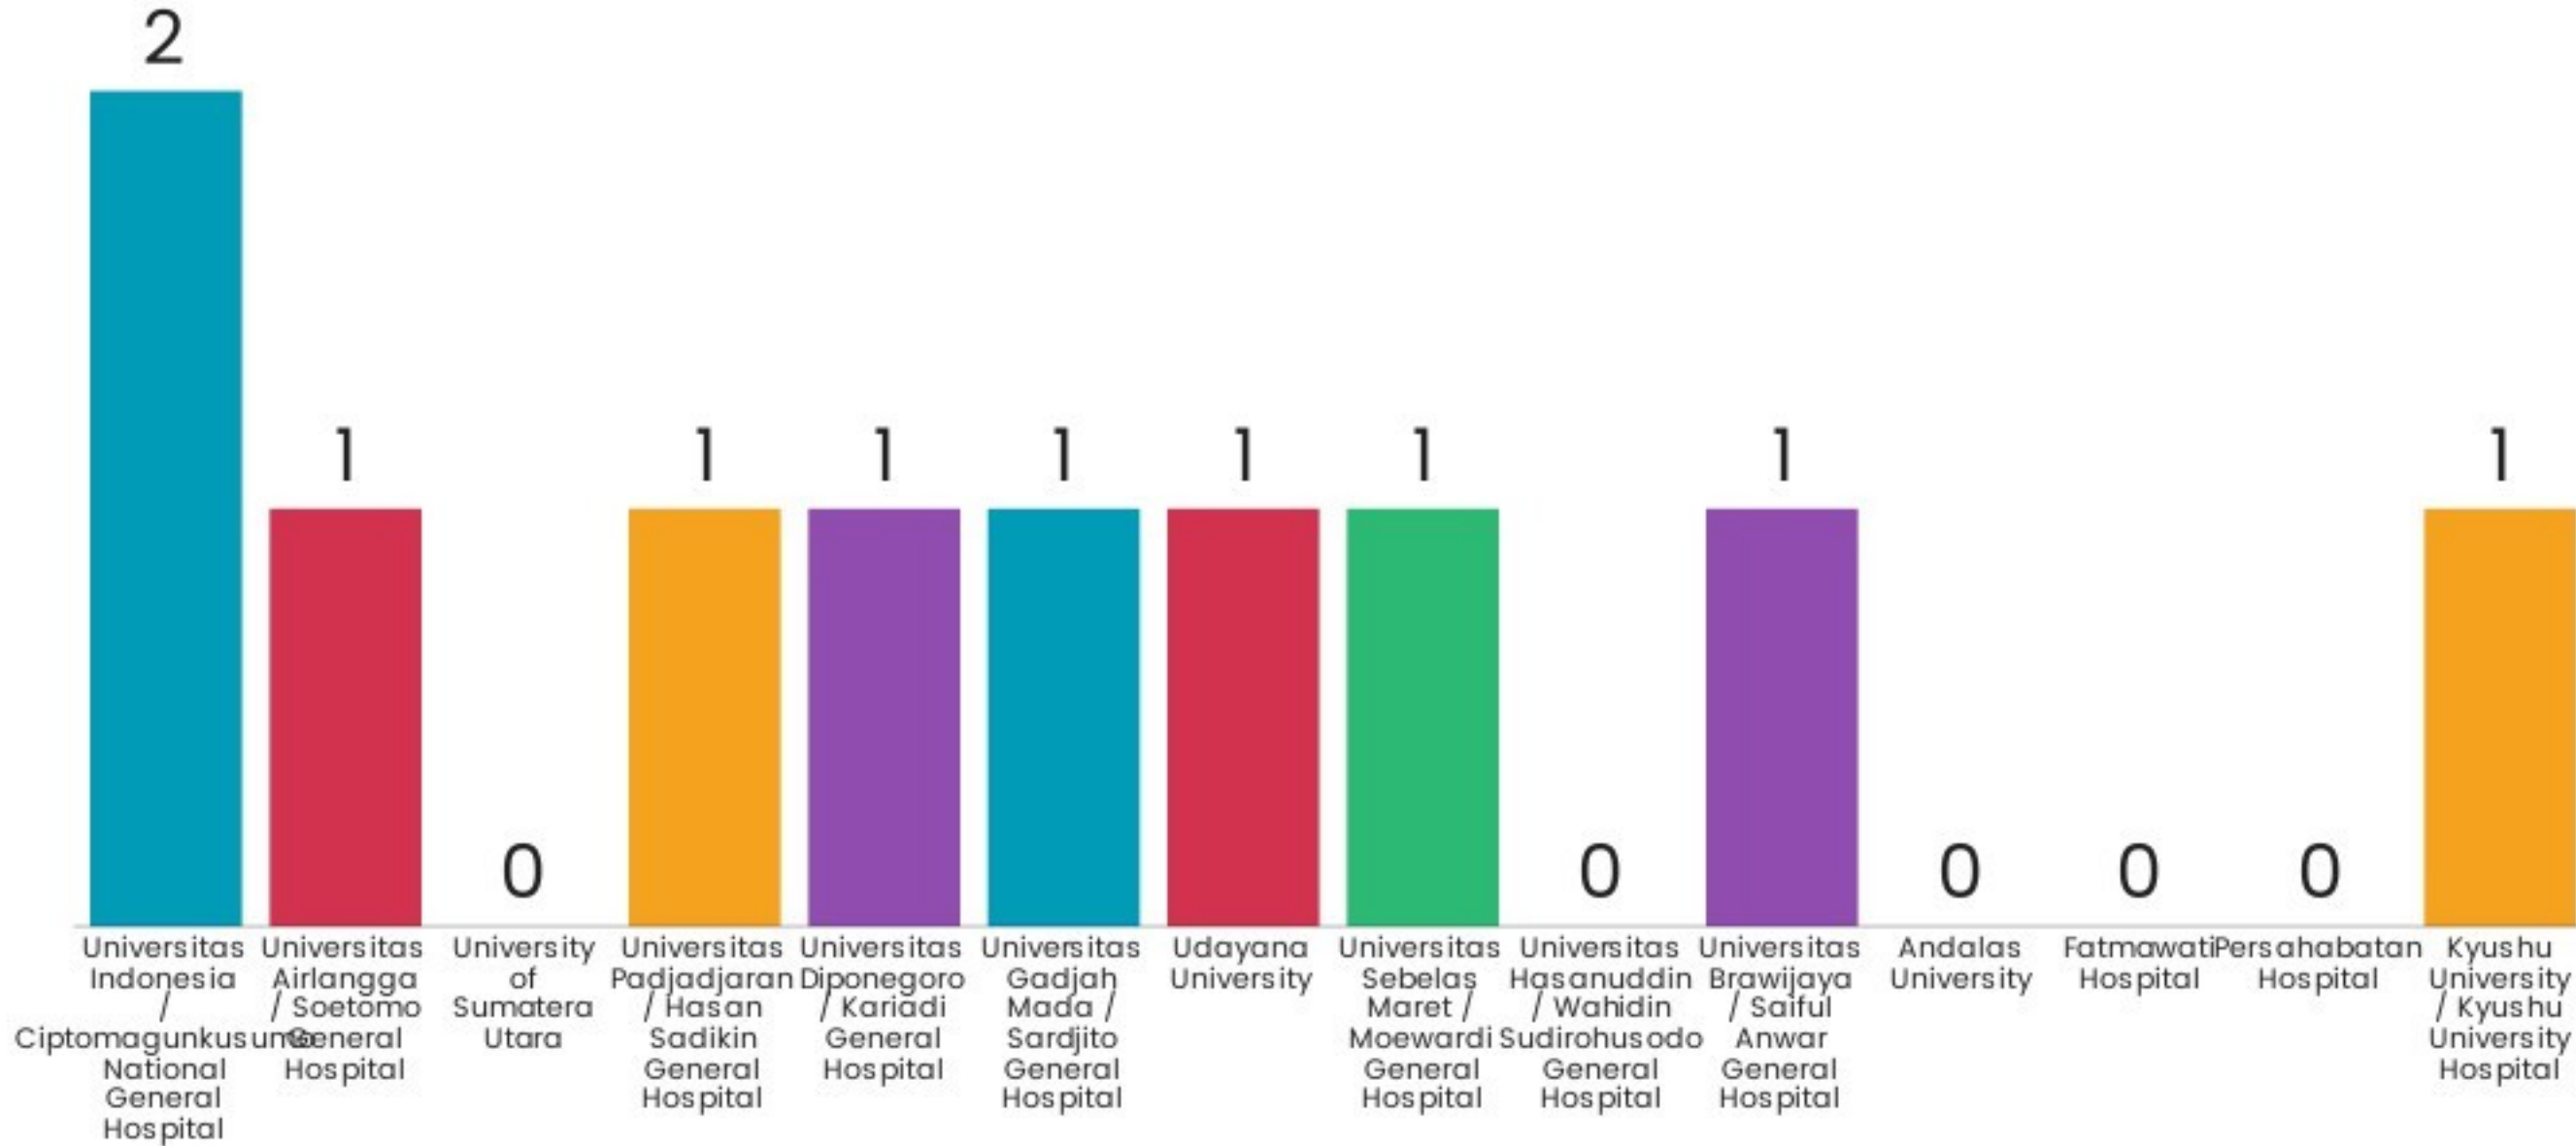

is it possible to have 2 accounts?
one is for showing presentation, to
handle if the laptop lacking.

switching image between PPT and
Joinview taking time.
