- 52%: I am not a medical doctor
- 38%: yes
- 10%: probably yes
- 10%: probably no
- 10%: no
Feel free to write any comments you may have.

How about reporting this activity in the KL telemedicine conference?

It's a good activity. Hope it useful for everyone.

I hope another topic for next teleconference beside neuroimmunology.

We are so glad can join teleconference program., thanks for the opportunity.

Slides moved sluggish and were not shown timely. It would be great if actual slides (big sized file) could be used for the tech simulations.

This teleconference is a good way to share our variety of cases from each center, truly broaden our knowledge in immunology field.

Great program!

Successful Conference

Thank you so much for all the preparation and help for this activity. I am very happy to be involved.
Which is your station?
