- Yes: 4
- I'm not sure: 1
- No: 0
Will you attend another dental teleconference session next time?

- 75% yes
- 25% probably yes
- 0% probably no
- 0% no

[Image: Pie chart showing 75% yes, 25% probably yes, no no responses]
If you found any problems in teleconference, please write any comments you may have.

- Sharing huge size of data from presenters is very time-consuming to confirm its content. Earlier communication is better as possible.
- Few doctors, where engineer support is not there, could not share the PPT, properly.
If you suggest any particular topic for the next dental teleconference session, please let me know
Which is your station?

- APAN 44 venue
- Airlangga University
- Kagoshima University
- National Taiwan University
- Hiroshima University
- University of Hong Tuah
