Will you attend another teleconference session next time?

- yes
- probably yes
- probably no
- no

100%
If you found any problems in teleconference, please write any comments you may have.

The video camera from some centers were deactivated unintentionally. The local engineers should check on this aspect.

We experienced drop connection twice during the connection. This may be due to our connection and the bad weather we currently have.

- Nihon University did not respond to questions - Chulalongkorn University connect half an hour before event finish - USM sound not clear

nil

Please make sure that all PPT slides are uploaded to the system by all speakers since the presentation from own computer may not be seen som
