Feel free to write any comments you may have.

Sound quality of Yaroslavl was not good.

Thank’s a lot. We know about problem with sound in Yaroslavl. We will solve it and make a preliminary test.

Thank you very much!

all perfectly

Audio from Yaroslavl was unstable.

This teleconference with interactive voting and discussion was very interesting and useful.

Thank you very much for the organization of the teleconference. We are very satisfied by the quality and program of the teleconference.

On behalf of CAREN CC I would like to thank you for organization and allowing us to participate at the 2nd Teleconference with Russia.

Many thanks for organization of teleconference.
