Feel free to write any comments you may have.

Thanks for spreading the knowledge. It was excellent.

The topic outstanding NETs are increasing and there is new knowledge. The Technical issues were much better than previous sessions.

Dear My name is José Moreno. Doctor of the University of Costa Rica. I would love to do an internship at Kyushu Hospital.

excellent image and sound quality

As a speaker, I really enjoyed the environment, as you can see very interested attendants. Thank you.

I really liked participating in this activity

Lecture of Prof. Uedo was outstanding! Discussion and interaction was also very fruitful. Thank you, Vitor Arantes

Very useful for us. Because to known different point of view in one particular topic ... Dr. Uedo was fantastic. Thanks a lot.
