Will you attend another teleconference session next time?
Feel free to write any comments you may have.

- It's a really excellent idea and I am looking forward for the next conferences.
- Excellent presentations telling all the experience lived in training and in Japan.
- TEMDECs experience on Telehealth is very important for the advancement of relationships regarding the quality and safety of health procedures around the globe.
- I think it was a little repetitive and some lectures wereover time, but overall it was a fruitfull session.
- It was a nice experience.
