#163　Continuous Medical Education of Asia (CMEA) -1@APAN-TW　　2009.3.5

【Event】Continuous Medical Education of Asia-1
"Laparoscopic sigmoidectomy"

【Date】　2009.3.5

【Venue】　APAN-Kaohsing venue －Tokyo J&J MIT － Kyushu U Hosp － NU Singapore －UP Manila － Hanoi 108 Hosp －Barcelona Hosp (Spain)

【Comments】
This is the first program of Continuous Medical Education of Asia (CMEA), started at 27th APAN in Taiwan. Two remote lectures on laparoscopic sigmoidectomy were made from first-connected Tokyo MIT to six other stations including new member of Hanoi 108 Hospital and Dr Lacy from Barcelona.

The venue of medical sessions at Kaohsing in Taiwan.
