### The 5th Kobe International Endoscopy Hands-on Seminar 2016.06.04

**Event**
The 5th Kobe International Endoscopy Hands-on Seminar

**Date**
2016.06.04

**Venue**
- Medical Device Development Center (MEDDEC) (Japan)
- St. Luke’s Medical Center (Philippines)
- Qingdao University (China)
- UNAM doctor’s home: Mexico City (Mexico)

**Comments**
Continuing from Evening Seminar on the first day of the seminar, June 3rd, ESD Hands-on training using tissue and mini-pig was performed at MEDDEC for two days from June 4th to June 5th. In cooperation with 9 trainers, 25 trainees from 16 countries in Asia, South America, Europe and other areas participated in the 5th Kobe International Endoscopy Hands-on Seminar. Most of the participants showed their intention to take part in the next seminar, which means that this seminar received a high evaluation.
