

<p>【Event】 Heart Transplantation Conference</p>	<p>【Comments】 We performed teleconference about a patient who had admitted to Tokyo Medical and Dental University Medical Hospital. We discussed the indication for heart transplantation at Kyushu University Hospital. Although it was the very first time, the technical conditions were satisfactory with good image quality and sound. Because it was found to be very useful, the meeting was decided to be organized regularly.</p>
<p>【Date】 2017.02.01</p>	
<p>【Venue】 Kyushu University Hospital (Japan), Tokyo Medical and Dental University (Japan)</p>	

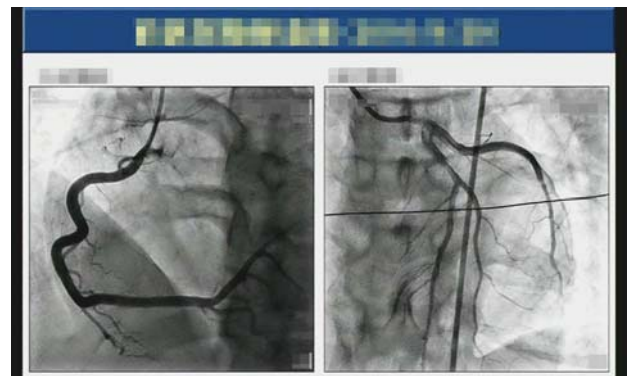

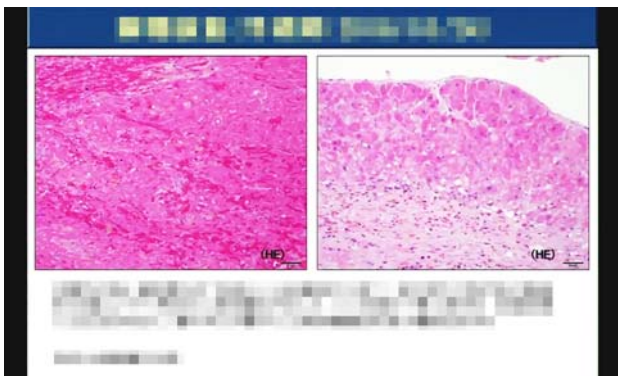

Dr. Tsutsui from Kyushu Univ Hosp makes a comment.
