

#706 Training Report of  
Obstetrics & Gynecology with the Philippines

2017.02.07

<p>【Event】 Training Report of Obstetrics &amp; Gynecology with the Philippines</p>	<p>【Comments】 This teleconference served as a bridge between these two departments, and allowed participants to know a little more about cultures and practices for each other in Obstetrics and Gynecology. With a clear audio and video, this introductory session proved to be a good venue to exchange different cases, clinical practice guidelines in the field of Obstetrics and Gynecology, which will commence in the coming months.</p>
