

<p><b>【Event】</b> The 43rd APAN Meeting - Ophthalmology 1</p>	<p><b>【Comments】</b> Ophthalmology 1 session was held connecting 8 institutions from India, Indonesia, Nepal, Vietnam and the Philippines. Veterans Memorial Medical Center (VMMC) used iGov network and also DICT Vidyo server on the domestic and Philippine Research, Education and Government Information Network (Preginet) on the international segment for this session. The discussion focused on uveitis. At the India Habitat Center, New Delhi, Dr Mai Van Tuan of Hue Central Hospital acted as moderator of the event. Overall the symposium was well received with real time high definition video feed and clear sounds with only occasional audio lag encountered during the question and answer portion.</p>
