

<p><b>【Event】</b> The 43rd APAN Meeting - Rural Health Care</p>	<p><b>【Comments】</b> The second rural healthcare session was highly successful. The participation was broad and the interest shown by the participants was high. In Nepal, more people and more institutions were involved this time.</p>
<p><b>【Date】</b> 2017.02.16</p>	<p>The audio-visual quality was good and the operation of the session was smooth. Lateral communication among participants has started which is commendable. We strongly recommend continuing this session in next APAN meetings.</p>
<p><b>【Venue】</b> India Habitat Centre (India), Kathmandu Model Hospital (Nepal), Galileo Control Center (DLR Gfr) (Germany), Patan Academy of Health Sciences (PAHS) (Nepal), Dhulikhel Hospital (Nepal), Ateneo De Manila University (Philippines), Chulalongkorn University (Thailand), Brawijaya University (Indonesia), Sanjay Gandhi Postgraduate Institute of Medical Sciences (India)</p>
