| <p>【Event】 The 10th Student Lecture</p> | <p>【Comments】 This is the 10th annual lecture for 2nd grade medical students. Dr. Han introduced the actual ongoing laparoscopic surgery, surgical room and medical instruments in Korea to Japanese medical students. They asked some questions to Dr. Han and Korean student about the surgery, medical student life and doctor's career in English. The image and audio quality was great with 6Mbps connection by H.323.</p> |
| <p>【Date】 2017.05.30</p> | |
| <p>【Venue】 Kyushu University Hospital (Japan), Seoul National University Bundang Hospital (Republic of Korea)</p> | |
