

#761 Student Teleconference between Thailand, Philippines and Japan

2017.06.06

<p>【Event】 Student Teleconference between Thailand, Philippines and Japan</p>	<p>【Comments】 We held a student teleconference between Thailand, the Philippines and Japan. There were 5 presentations; 3 from Kyushu University and the others are from Mahidol University and St. Luke's Medical Center. The presentations covered a broad range of topics, including the academic curriculum of medical school in Thailand and the Philippines and Yatai culture in every country. This program was successful and fruitful to us.</p>
