

# The Third Philippine Telemedicine Symposium

**Date : January 19, Saturday, 2019**  
**Venue : Dagupan Doctors Villaflores Memorial Hospital**

## Course Description

This is a collaborative endeavor by the Telemedicine Network of the Philippines (TNP) and Telemedicine Development Center of Asia (TEMDEC) from Kyushu University, Fukuoka, Japan, supported by the Advance Science & Technology Institute (ASTI) of the Department of Science and Technology (DOST) which aims to develop and expand the knowledge and network capabilities of the different healthcare institutions of the country. This course is also supported by Asi@Connect and TEIN\* Cooperation Center (TEIN\*CC).

## Course Objective

- 1.) To understand the significant developments of Telemedicine and its applications in healthcare.
- 2.) To demonstrate the use of tele-technology in different health programs.

## Target Delegates

- 1.) Doctors, Nurses and other allied professionals interested in telemedicine.
- 2.) Medical information technology engineers, leaders, managers and IT enthusiast.
