<p>Jawaharlal Institute of Post Graduate Medical Education and Research (JIPMER) (India), Apollo Proton Cancer Center (India), U H Plymouth NHS Trust (United Kingdom), Kathmandu Model H (Nepal), Khesar Gyalpo U of Medical Sciences of Bhutan (Bhutan), BP Koirala Institute of Health Sciences (Nepal), Bangabandhu Sheikh Mujib Medical U (Bangladesh), Dr. Rela Institute &amp; Medical Centre (India), Jigme Dorji Wangchuck National Referral Hospital (Bhutan)</p>	<p>Our 8th medical working group session focused on advanced gastrointestinal surgery with four high-quality presentations from reputed institutes in India and the UK. The overall technical quality was good, considering that three were video lectures. We realized that video streaming was suboptimal when the video was edited at 2x speed or more, and we have given the feedback to the connecting institutes.</p>
