【 Comments 】

An orientation was held to start this year's project. Fifteen graduate students from the design field participated, specializing in various areas such as AI, CG, VR, illustration, video, and product design. From the medical field, Dr. Nagayoshi of Department of Surgery, Dr. Fujii, Dr. Fukumoto, and Dr. Egzi of Department of Neurology participated and presented their ideas. We are looking forward to proceeding this year's project.
