The 15th Student Lecture

【 Connecting institutions 】	【 Comments 】
Kyushu University Hospital (Japan), St. Luke's Medical Center Quezon City (Philippines)	Although this class was set as a hybrid style, all medical students joined online. Dr. Viva from the Philippines presented the trial of online education for medical students at St. Luke's medical center, followed by a discussion between her and some students. The status of international remote medical education and remote patient care in Japan was also introduced. About the presentations, there was a lot of positive feedback from the students.
