The opening ceremony of the 12th International Conference of Young Scientists and the Global Young Academy (GYA) Annual General Meeting was held in a hybrid format at the Shiiki Hall. In addition to greetings from the organizers, a message from the Prime Minister of Japan was presented. This was followed by an art event (song and video performance, introduction of art works created for the conference), and finally, the introduction to the GYA. The number of participants was 152 for online and 15 for onsite.

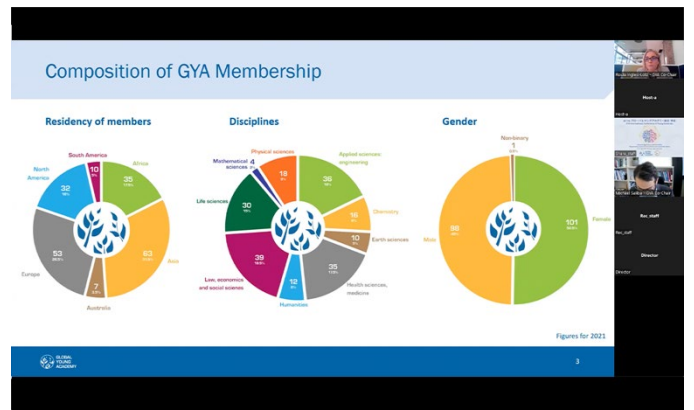

Opening Remarks by the Chair of the Organizing Committee.
