Research (JIPMER) (India),
Aditya Birla Sankara Nethralaya (India),
Vietnam National Institute of Ophthalmology (Vietnam)

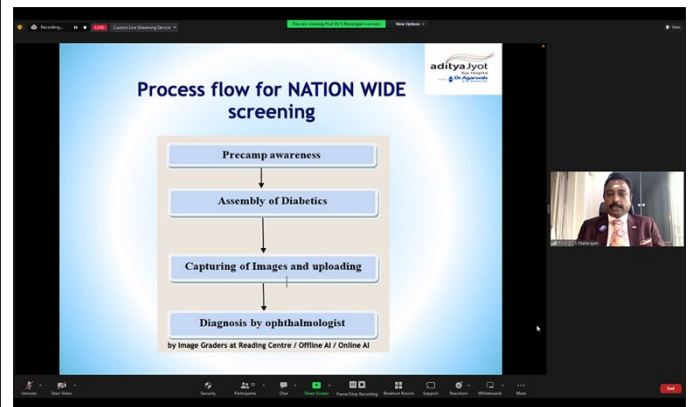

【 Comments 】

It was a good virtual conference with good connectivity.
This time also we had a good connection. All the speakers
were very happy to have taken part in the conference.
The connecting institutes were able to gain knowledge on
the topic of diabetic retinopathy. In this session, we were
able to cover the various aspects of diabetic retinopathy in
different countries.
