【 Connecting institutions 】

Kyushu University Hospital (Japan),
Kurume University (Japan),
Kyushu Godo Law Office (Japan)

【 Comments 】

This meeting was held for the first time this year in accordance with the Kyushu University Hospital Medical Safety Audit Committee regulations. The theme of the audit was “The system of admission, discharge, and perioperative support center,” and was conducted in a conference room and the support center. Because of the spread of COVID-19, some participants had to attend online, but we successfully proceeded with the audit via online live demonstration.
