<p>Kyushu University Hospital (Japan), Mongolian National University of Medical Sciences (Mongolia), Mongolia-Japan Hospital (Mongolia)</p>	<p>The 1<sup>st</sup> webinar was held connecting Kyushu University Hospital and Mongolia-Japan Hospital. The topics were Endoscopic diagnosis of early gastric cancer and the introduction of Laparoscopy Endoscopy Collaborative Surgery (LECS) for upper GI cancer. Many questions about tips for diagnosis and treatment arose. Through the webinar, the relationship between us was strengthened.</p>
