<p>Kyushu U H (Japan), Jawaharlal Institute of Post Graduate Medical Education and Research (JIPMER) (India), Khesar Gyalpo U of Medical Sciences of Bhutan (Bhutan), Jigme Dorji Wangchuck National Referral H (Bhutan), Patan Academy of Health Sciences (PAHS) (Nepal), Kathmandu Model H (Nepal), Tribhuvan U Institute of Medicine (Nepal), Dhulikhel H (Nepal), Nepal Research and Education Network(NREN) (Nepal), Sankara Nethralaya H (India), Asian Institute of Gastroenterology (India)</p>	<p>We setup a hybrid conference to present our own learning experience, inviting our colleagues from Asian countries. We also gave technical support to other presenters. The conference was smooth with good planning teamwork and very much interactive. The internet facility was only in venue laptops. It was difficult to stay the whole day without the internet and communicate with remote participants for test and live sessions.</p>
