<p>Kathmandu Marriott Hotel (Nepal), Chulalongkorn U (Thailand), Mahidol U Siriraj H (Thailand), Kyushu U H (Japan), U of Malaya (Malaysia), Greifswald U H (Germany), Changi General H (Singapore), Asian Institute of Gastroenterology (India), Brawijaya U (Indonesia), BIMC H Nusa Dua (Indonesia), Indiana U (United States), Selayang H (Malaysia), U of Health Sciences, Phnom Penh (Cambodia), Al-Azhar U (Egypt), Concord H (Australia)</p>	<p>The 29th ECE meeting (in conjunction with the 55th APAN meeting) has connected numerous members from around the globe in Asia Pacific, Europe, Australia, and North America. The theme of the meeting was "Endoscopy World of Inflammatory Bowel Diseases" which focused on the endoscopic diagnosis, severity assessment, and therapeutic intervention of IBD, the disease with rising prevalence in Asia. The meeting was productive and well received with lively discussion.</p>
