

【 Connecting institutions 】

Kyushu University Hospital (Japan),
Kyushu University, Ito Campus (Japan),
NPO Rocinantes (Japan)

【 Comments 】

Each faculty at the Maidashi campus (Medical Science, Health Sciences, Dental Science, Pharmaceutical Science, and Hospital) made a presentation on the current status and issues of international exchange. Dr. Kawahara from the NPO Rocinantes and Dr. Higo from the International Student Center gave a special lecture. It was a good opportunity to exchange information for the promotion of internationalization in the medical field.
