<p>Kyushu University, Ohashi Campus (Japan), Kyushu University Hospital (Japan)</p>	<p>A workshop was held to generate ideas on issues related to waiting space in department of pediatric surgery. Several designs for products, media, services, and spaces were proposed and discussed from the perspectives of "ensuring privacy," "enjoyable space that does not bore," "making the waiting time visible," and "creating a free waiting time that is not tied down". Participants will pick up ideas they will work on and proceed with prototyping.</p>
