<p>Kyushu University Hospital (Japan), Mahidol University Siriraj Hospital (Thailand)</p>	<p>We can accept four trainees from Medical Educational Technology Center of Mahidol University for the first time in the recent five years. The trainees took photographs and created medical illustrations and pamphlets with Department of Surgery and Oral and Maxillofacial Surgery. They also made a movie introducing International Patient Support Center. All the works were highly appreciated by the doctors and staffs.</p>
