<p>Galle Face Hotel (Sri Lanka), Asian Hospital and Medical Center (Philippines), University of Cebu Medical Center (Philippines), St. Luke's Medical Center Quezon City (Philippines), Philippine Association of Laparoscopic and Endoscopic Surgeons (Philippines), Kyushu University Hospital (Japan)</p>	<p>This virtual training initiative by PALES demonstrates the applications of advanced laparoscopic and endoscopic surgery through case presentation. We have seven presenters from different institutions who discussed the strategies and techniques of the surgical case. Some video presentations were not clear during the session due to the slow network, but overall, the session went smoothly.</p>
