<p>Galle Face Hotel (Sri Lanka), Mahidol University Siriraj Hospital (Thailand), Kyushu University Hospital (Japan), Asian Institute of Technology (Thailand), Faculty of Pharmaceutical Sciences, Chulalongkorn University (Thailand), Association for RSA Development (Thailand), Chiang Mai University Hospital (Thailand)</p>	<p>The objective of the session is to update the current policy, research, and innovation of telehealth in Thailand. We had four speakers who are leaders of telepharmacy, telemedical laboratories, telerehabilitation, and telemedicine/teletherapy. There was a great opportunity for speakers to share their experiences which will lead to further collaboration. The overall session went smoothly.</p>
