A public seminar of the Civic Studies Collaboration Platform "Nakagawa Future Conference" was held. After an introduction to past activities, keynote speeches were given by Prof. Yukihiro Shimatani (Professor Emeritus of Kyushu University) and Prof. Katsuji Mitsuya (Associate Professor of Nagoya Gakuin University), followed by presentations by local leaders. They took the stage at the panel discussion "Envisioning the future of the city," and a lively exchange of opinions took place.
