

<p style="text-align: center;">【 Connecting institutions 】</p> <p>Kyushu University, Ohashi Campus (Japan), Kyushu University Hospital (Japan)</p>	<p style="text-align: center;">【 Comments 】</p> <p>The final report of this year's project was conducted. For the waiting area issue in pediatric surgery department, a product for securing personal space and an app design for visualization of waiting time was proposed. A graphic and app design was proposed for the Bangladesh pregnant women's medical checkup issue. The summary of the problems and the beautiful graphic proposals were well received and will continue to be considered as research and implementation after the class.</p>
