<p>Eastin Grand Hotel Phayathai (Thailand), Sankara Nethralaya Hospital (India), Aditya Jyot Eye Hospital (India), Jawaharlal Institute of Post Graduate Medical Education and Research (JIPMER) (India), Aditya Birla Sankara Nethralaya (India), Vietnam National Institute of Ophthalmology (Vietnam), Hue Central Hospital (Vietnam), NRK Pet Surgical and Eye Clinic (India)</p>	<p>The main goal of this session is to achieve optimal health outcomes and understanding the interconnection between people, animals, plants, and their shared environment. In this session we have connected eight institutes, and we were able to cover the various aspects of One Health and Tele Health. The session went on well with good connectivity. All the speakers were happy to have taken part in the conference.</p>
