<p>Eastin Grand Hotel Phayathai (Thailand), Sankara Nethralaya Hospital (India), Aditya Jyot Eye Hospital (India), Jawaharlal Institute of Post Graduate Medical Education and Research (JIPMER) (India), Aditya Birla Sankara Nethralaya (India), Vietnam National Institute of Ophthalmology (Vietnam), Hue Central Hospital (Vietnam), Dr. Mohan's Diabetes Specialities Centre – Gopalapuram (India), Remidio Innovative Solutions Pvt Ltd. (India)</p>	<p>It was a good virtual conference with good connectivity. All the speakers were very happy to have taken part in the conference. This conference we have connected eight institutes and we had a good connection. The connecting institutes were able to gain knowledge on the topic of Artificial Intelligence (AI) in Ophthalmology. In this session, we were able to discuss the various aspects of using AI in diagnosis of various ocular diseases.</p>
