【 Connecting institutions 】	【 Comments 】
Kyushu University Hospital (Japan), Kathmandu Model Hospital (Nepal)	The first half was a lecture from Nepal on their medical situation. The lecture was followed by English Q&A session, in which the students were a little shy and smooth communication was somewhat difficult, but thanks to the speaker, Dr Udaya, it was productive. In the second half, a lecture was given on telemedicine in Japan, and many students were interested in digital transformation of future medicine.
