Pacifico Yokohama (Japan), Smt. NHL Municipal Medical College (India), Jhargram Government Medical College (India), All India Institute of Medical Sciences, Jammu (India), Kyushu University Hospital (Japan), University of Kuala Lumpur Royal College of Medicine Perak (Malaysia)	It was a great experience to host our fifteenth medical working group session. The session focused on utilizing Artificial Intelligence in Medical Education and Research. The academic content was of high quality from reputed institutes. We had an active participation audience and an interactive session along with a hands-on activity for AI use in Medical Research. We thank everyone for wonderful opportunity and active participation.
