Kyushu University Hospital (Japan), Fukuoka University Chikushi Hospital (Japan), Osaka International Cancer Institute (Japan), Yaroslavl Regional Cancer Hospital (Russian Federation), Kawanishi City Medical Center (Japan)	The 24th Endoscopy Teleconference with Russia was held in the framework of Yaroslavl Endoscopy Symposium (YES 2025). The symposium brought together over 350 in-person participants, featured demonstrations by more than 15 Russian and 13 international experts from Japan, China, Switzerland and Spain. Two live demonstrations of patients with chronic gastritis and associated lesions were presented and discussed with participants and international board of faculty experts. The live broadcasting was performed from the Endoscopy department of Yaroslavl Regional Cancer Hospital.
