The 60th APAN Meeting -Ophthalmology

【 Connecting institutions 】	【 Comments 】
Grand Hyatt Hong Kong (Hong Kong), Kyushu University Hospital (Japan), Sankara Nethralaya Hospital (India), Aditya Jyot Eye Hospital (India), The Medical City Ortigas (Philippines), Dr. Mohan's Diabetes Specialities Centre – Gopalapuram (India), Aditya Birla Sankara Nethralaya (India), Jawaharlal Institute of Post Graduate Medical Education and Research- Puducherry (India).	It was a good virtual conference with good connectivity. All speakers were very happy to have taken part in the conference. The all participants from eight connecting institutes were able to gain knowledge on the topic of Artificial Intelligence (AI) in Diabetic Retinopathy. In this session, we were able to discuss the various aspects of using AI in diagnosis of various ocular diseases.
