Grand Hyatt Hong Kong (Hong Kong), All India Institute of Medical Sciences, Jammu (India), Kyushu University Hospital (Japan), University of Kuala Lumpur Royal College of Medicine Perak (Malaysia), Smt. NHL Municipal Medical College (India), Jhargram Government Medical College (India)	It was a great experience to host a session in APAN medical working group. The session focused on using Artificial Intelligence in Medical Research. The academic content was of high quality from reputed institutes. We had an active audience and an interactive session, along with a hands-on activity for AI use in medical research. We thank everyone for the wonderful opportunity and active participation.
