Webinar on Minimally Invasive Surgery

【 Connecting institutions 】	【 Comments 】
Kyushu University Hospital (Japan), University of the Philippines, Philippines General Hospital (Philippines)	As part of Resource Development Project for Gastrointestinal Cancer Specialists in the Philippines (JIHS), a seminar on minimally invasive surgery in the field of hepatobiliary and pancreatic surgery was held, connecting Kyushu University Hospital and the Philippine General Hospital. Prof. Nakata delivered a lecture on tips for minimally invasive pancreatic surgery, and Dr. Grace presented on the current status of introducing minimally invasive surgery in the Philippines. The seminar was highly productive, attracting more than 100 participants from across the Philippines.
