The 61st APAN Meeting -JIPMER
(Jawaharlal Institute of Post Graduate Medical Education and Research)

【 Connecting institutions 】	【 Comments 】
Le Meridien Dhaka (Bangladesh), Jawaharlal Institute of Post Graduate Medical Education and Research (JIPMER) (India), Kyushu University Hospital (Japan), Calmett Hospital (Cambodia), Apollo Hospitals, Greams Road Chennai (India), Sher-I-Kashmir Institute of Medical Sciences (India), Champasak Hospital (Lao People's Democratic Republic), Khon Kaen University (Thailand)	We were delighted to host the seventeenth session of our Medical Working Group, which focused on advanced gastrointestinal surgery. The session featured high-quality academic contributions from reputed institutions. The overall technical conduct of the session remained satisfactory, particularly considering the inclusion of three video lectures. We sincerely thank all participants for their cooperation, engagement, and active participation throughout the session.
