The 61st APAN Meeting-The 20th EUS-Asia Teleconference

【 Connecting institutions 】	【 Comments 】
Le Meridien Dhaka (Bangladesh), Kyushu U Hospital (Japan), Chulalongkorn U (Thailand), MARA University of Technology (Malaysia), St. Luke's Medical Center Quezon City (Philippines), Tri-Service General H (Taiwan), Taipei Medical U (Taiwan), U of the Philippines, Philippines General H (Philippines), Asian Institute of Gastroenterology (India), Sunway Medical Centre (Malaysia), Obafemi Awolowo U (Nigeria), Virtual U of Pakistan (Pakistan) and 15 of others	The 20th Asian EUS Teleconference was held in conjunction with the 61st APAN meeting. In this conference, active discussions were held with major institutions primarily in Asia, involving the review of cases where interventional EUS (including EUS-TA) was performed, while also incorporating the latest insights from genomic medicine. Participants shared experiences regarding which steps of the EUS-PD procedure are particularly difficult. By sharing knowledge during this meeting, the challenges to be addressed in the future have become clear.
