The 61st APAN Meeting -Dentistry

【 Connecting institutions 】	【 Comments 】
Le Meridien Dhaka (Bangladesh), Airlangga University (Indonesia), University of Indonesia (Indonesia), Kyushu University Hospital (Japan), University of Malaya (Malaysia), MARA University of Technology (Malaysia)	The session's topic was highly relevant for dentists who frequently care for children's oral health. Featuring four speakers from leading dental institutions in Indonesia and Malaysia, the session was conducted in a hybrid format and attended by more than 100 participants. The presentations were engaging, and the discussions were highly dynamic, making the event a valuable forum for disseminating knowledge that can contribute to the advancement of dental science.
