The 61st APAN Meeting -Natural Products

【 Connecting institutions 】	【 Comments 】
Le Meridien Dhaka (Bangladesh), Punjabi University, Patiala (India), Kyushu University Hospital (Japan), Delhi Pharmaceutical Sciences & Research University (India), Guru Nanak Dev University (India)	The session “Integration of traditional herbal medicine into Evidence based clinical Practice” started with introductory remarks by the organizer Dr. Dimple Sethi Chopra. The chairperson Prof. Nirmal Singh gave his opening remarks. There were four speakers; Dr. Geeta Aggarwal, Dr. Rajbir Bhatti, Dr. Suresh Kumar Thakkar, and Dr. Dimple. The zoom connectivity amongst 5 institutes resulted in amicable panel discussion with expert comments by MWG chair Dr. Tomohiko Moriyama. This session included 5 institutions, the connectivity was very good with utmost clarity as can be seen from the pictures below. My deep appreciation for the chief engineers, Mr. Ueda and Dr. Dhandeep.
