The 32nd Fukuoka City Dementia Disease Medical Center Training Seminar

【 Connecting institutions 】	【 Comments 】
Kyushu University Hospital (Japan) Bokuwakai Maki Hospital (Japan)	Kyushu University has been designated by Fukuoka City to work toward improving the standard of health insurance-covered medical care for dementia in Fukuoka region. This time, Dr. Maki, the chief director of Maki Hospital, which was authorized as the Fukuoka Prefectural Dementia Medical Center Maki Hospital, was invited to lecture on dementia treatment in the Chikushi area. About 180 people participated onsite and online.
